| Title | : DYNAMICALLY DOWNLOADING TELECOMMUNICATION CALL SERVICES | | |

**Mail Stop Amendment**
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

## AMENDMENT IN REPLY TO ACTION OF FEBRUARY 8, 2005

Please amend the above-identified application as follows:

/12/2005 YPOLITE1 00000024 09843429

FC:1202                    50.00 OP

06/29/2005 EWILLIAM 00000030 09843429
01 FC:1201                    200.00 DA

Independent claims 15 and 23 have been amended in a manner similar to claim 1. Claims 15 and 23, therefore, should be allowable for at least the same reasons discussed above with reference to claim 1.

Claims 16-22 and 24-33 depend from claims 15 and 23, respectively. Therefore, claims 16-22 and 24-33 should be allowable for at least the same reasons as claim 15 and 23, respectively.

Additionally, claims 17 and 25 recite features similar to those discussed above with reference to claim 3 and which provide an additional basis for allowance. Specifically, claims 17 and 25 recite dynamically removing a call service component. Claims 17 and 25, therefore, should be allowable for at least the same additional reasons that were discussed above with reference to claim 3.

It is believed that all of the pending claims have been addressed. However, the absence of a reply to a specific rejection, issue or comment does not signify agreement with or concession of that rejection, issue or comment. In addition, because the arguments made above may not be exhaustive, there may be reasons for patentability of any or all pending claims (or other claims) that have not been expressed. Finally, nothing in this paper should be construed as an intent to concede any issue with regard to any claim, except as specifically stated in this paper, and the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.
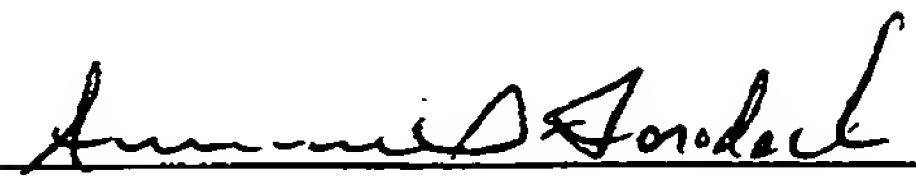

Enclosed is a $50 check for excess claim fees. Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,

Date:May 9, 2005
